## *Who are we?*

The Hot Tub and Swim Spa Company is one of the UK's largest and most well-respected Hot Tub, Swim Spa, sauna, steam room and gazebo companies, with an award winning aftersales business.

We are a family run and operated business with over 50 years combined experience in the home spa and wellbeing industry. We have a superstore showroom based close to London with 19 Hot Tubs, 4 Swim Spas, 5 Gazebos plus Saunas and Steam Room on display.

We have twice been awarded UK Showroom of the Year (2015 and 2016) at the prestigious UK Annual Pool and Spa Award Ceremony. We are open 7 days a week and currently the closest showroom to London and M25, Junction 3.

## Why buy from us?

- Leaders in the Hot Tub and Swim Spa industry, we have been named 2017 European Retailer of the Year for Hot Tubs and Swim Spas.
- We are very proud to constantly receive positive reviews from our customers on our excellent quality and service, please see our Facebook page or google reviews to find out more. Customer satisfaction is our number one priority.
- We are one of the UK's only multiple UK and European Award-Winning companies; giving you the confidence that we are tried, tested and approved.
- We are the choice of large developer clients such as the Berkeley Homes Group, the UK's leading luxury home builder.
- We have in-depth expertise and experience in our industry; Managing Director Christina Mantoura Clarke sits on the UK Panel of Hot Tub and wellness experts.

## *Cleaning*

The House Beautiful Swim Spa and Hot Tubs are equipped with an automatic water treatment dosing system and a Micro Filter. This advanced micro filtration water treatment system filters the water to a microscopic 5 microns so the water remains clean and fresh for longer. The automatic dosing ensures we are creating more time for what matters to you and enables you to reduce the amount of chemical treatments traditionally needed to maintain sparkling, safe water.

## *Insulation*

The House Beautiful Swim Spa and Hot Tub are quite possibly the most energy efficient and environmentally friendly models in the World. The innovative HydroWise thermal shield insulation combined with the 4 inch HydroWise hard cover keeps the water lovely and warm. It is constantly conserving as much energy as possible through its unique Low Amperage Evergreen Pumps, Insulated Thermal Shield Technology and Eco Heat Exchange Technology. The House Beautiful Swim Spa and Hot Tubs are the perfect and affordable way to enjoy the outdoors all year round.

## *Massage*

The House Beautiful Swim Spa and Hot Tubs are ergonomically designed for supreme comfort and to enhance your well-being. Each seat is different and the specially designed zones and different style massage jets enable you to completely relax your own way. Choose from a range of wellness programmes to reduce stress, aching muscles and enhance your wellbeing throughout your body.

## *Fun for Everyone*

Cherish hours spent relaxing and enjoying time together while you all benefit mentally and physically. Your very own spa oasis of calm will leave your family and friends happy and carefree, and wanting to repeat the experience all over again tomorrow!
