The Hot Tub & Swim Spa Company will conduct 4 visits per annum when you purchase a Hot Tub Platinum Service contract, to conduct x3 quarterly services & x1 Silver Service combined with delivery of water treatment/ chemicals. We will contact you within 3 working days of you completing the purchase process to book the date of the first visit. The visit will be attended by The Hot Tub and Swim Spa Company's engineers upon your completion of the first 3 monthly payments of £99.50 including VAT if you have chosen the buy monthly option, or upon your completion of £1195.00 including VAT payment if you have selected the one off payment option. During the 1st first visit (attended upon completion of payment specification previously mentioned), we will conduct a quarterly service, the next 2 visits (every 3 months) will also be for a quarterly service. Upon attending the 4th visit, we will complete a Silver Service. When we attend your 1st visit we will supply you with your water treatment chemicals. Please see Terms and Conditions document for exact specification of chemicals.
